NOTES:
Protected Areas, Study Areas, and Special Management Areas
 Study areas, upon approval of the provincial Cabinet, are subject to interim management, pending a land use decision on the areas, as determined through regional or local land use planning processes. The study areas dataset shows areas greater than 1000 ha only. Protected areas data updated regularly. Please contact the Land Use Coordination Office for the most current data sets.

First Nations Territory Boundaries
 The data used to produce this map has been collected and presented without prejudice. This map is an interpretation of the Statements of Intent boundaries, submitted by First Nations to the B.C. Treaty Commission, August 31, 1997. NOT ALL FIRST NATION TERRITORIES ARE REPRESENTED ON THIS MAP. For updated Statements of Intent information, please contact the B.C. Treaty Commission, or the Ministry of Aboriginal Affairs.
